## From The East

**Christophe Sevin - WM Pro-Temp**

"Greetings from the East brethren!

A lot has happened since our last trestleboard. First I would like to thank Brother Zweil for taking over the trestle board, good job brother!

Since the last trestle board we had the official communication from Grand Lodge in Orlando, and the visit of our new DDGM Richard Vogt.

The Grand lodge communication gave us the chance and privilege to see brothers from Prince Hall Grand Lodge sitting with us, and that my brothers was an historic moment!

The official visit of our DDGM went very well, but my brothers we need to keep practicing to keep a quality ritual that we are proud to show to our visiting brethren.

We also raised three new master masons, and we have three candidates ready to be initiated next month. That's very good for our lodge!

I'm waiting to see all of you at our next stated communication."

Regards,  
Christophe Sevin  
WM Pro temp.

## From The South

**Christopher Hunt - Junior Warden**

"My Brothers,  
In the waning months of summer, Tampa Lodge #240 sold its current building, and we agreed to rent the second floor of our building as their new meeting location.

I want to extend a warm welcome to the brothers of Tampa Lodge #240 and sincerely hope both our respective lodges will flourish. It is not the material that makes a lodge, but the practices of the brotherhood, as exemplified by the craft, constitute a freemason's lodge. I was happy to see many of our brothers from Temple Terrace attend Tampa Lodge's final meeting in their old building. I hope we can extend the same courtesy for the first meeting in their new meeting space.

As Fall approaches, your masonic blue lodge will embark on a busy season of charity and social events. With charity being a hallmark of freemasonry, we ask that brothers consider volunteering for one or more of these events. While we always see a healthy number of members devoting their time on the day of an event, we need individuals to assist with the planning and organization. Don't hesitate to contact the Secretary's office if you are interested in helping".

Fraternally,  
Christopher Hunt  
Junior Warden
