# From The East

## Christophe Sevin - WM Pro-Temp

"Greetings from the East brethren!

We had the pleasure to initiate 5 new brothers last month! And we even initiated a new brother for Tampa 240.

It's a pleasure to see new members coming to our lodge! Let's give these new initiated brothers the education and assistance they deserve, to help them become better men and masons.

The new parking stops in our parking lot have been installed, and it will now be much easier to park more cars, making it easier for our visiting brethren. Also new "No parking signs" will soon be installed, to make circulation even better.

We are also talking about bringing the monthly breakfast back, hopefully this will happen sooner than later, we all miss this awesome event!

Congratulations to our brother Steve Youssef, who now learned the lecture for the Entered Apprentice AND Fellowcraft degrees. Do I see a gold card coming soon?

Also the Trestleboard is now available for download on our website. Check it out!

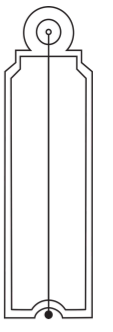

And as always, I'm waiting to see all of you at our next stated communication!

PS: My brothers, This is the hurricane season, and there are some big storms coming this way, so be sure that you and your family stay safe."

Fraternally.

# From The South

## Christopher Hunt - Junior Warden

"Brothers,

The devastating effects of Hurricane Ian will be felt for years in South Florida. Over the next few weeks and months, our fraternity is organizing relief efforts for our

brothers and their families in the areas devastated by Hurricane Ian. Please take the time to reach out to the DDGM or the lodge secretary if you want more information on how to help.

As our brothers already know, the meals prepared by our kitchen are the best in the 19th and 20th masonic districts. However, this wonderful food does not appear magically, and we need our brothers to step up and assist the kitchen in any way they can. If you are interested in making a meal for the lodge, there is a calendar in the kitchen where you can sign-up to cook a meal for your lodge.

Fraternally,  
Christopher Hunt  
Junior Warden
